Dear Mr. Wanjumbi

**Re: Staff Training on 15<sup>th</sup> May 2010**

We write to thank you for the recent training conducted in your firm's conference room.  
We noted that the training was well organized and practically oriented.

The content on communication, structured growth and setting customer excellence standards was particularly interesting and challenging at the same time.

We wish to assure you that we are now putting what we learnt into practice, as we continue planning for further training sessions.
